INSTRUCTIONS FOR THE SUBMISSION OF ABSTRACTS  
Poultry Science Association  
2023 Annual Meeting  
Philadelphia, Pennsylvania

GENERAL INFORMATION: Poultry scientists and students are encouraged to submit original research, teaching and extension papers, field reports and case studies. Abstracts should consist of original work that has not been accepted for publication in a journal or presented at another scientific meeting. The author submitting the abstract is responsible for its content and quality of preparation. The final program for the PSA Annual Meeting program will be posted on the conference website at https://poultryscience.org/PSA-Annual-Meeting. Authors should be aware of patent considerations before submitting abstracts for publication.

ABSTRACT SUBMISSION DEADLINE: Abstracts must be submitted electronically via the conference website by 11:59 pm, Eastern Time, April 12, 2023. Abstracts not meeting this deadline will not be accepted. Authors are limited to presenting a maximum of (3) abstracts.

SUBMISSION REQUIREMENTS: Abstracts shall comply with PSA submission requirements that are available through the conference website at https://poultryscience.org/PSA-Annual-Meeting.

AUTHOR NOTIFICATION: Authors and co-authors will receive a confirmation email when the abstract is submitted. Authors will be notified by email following acceptance, requested revisions, or rejection of their submitted abstracts on or about May 26, 2023. Authors will be notified with details regarding the presentation of their abstract on or about June 2, 2023.

STUDENT AWARD OF EXCELLENCE COMPETITION: Students may choose to have their presentation judged in the Award of Excellence Competition. The presenting student must be a member of PSA and be listed as the first author. Students may submit multiple abstracts for presentation, but only ONE abstract may be entered in the competition. The abstract entered in the competition must be submitted to a Student Competition section/category. A copy of the competition evaluation form is available at https://poultryscience.org/PSA-Annual-Meeting-Abstracts.

ORAL PRESENTATIONS: Oral presentations must be presented in English in a 12-minute in-person presentation, followed by 3-minutes of question and answers. Abstracts not presented may be removed from the archived electronic version of the conference proceedings. The Poultry Science Association does not publish a printed conference proceeding.

POSTER PRESENTATIONS: Posters shall comply with PSA poster requirements that are available at https://poultryscience.org/PSA-Annual-Meeting-Abstracts.

SECTION PREFERENCE: Authors MUST indicate their section preference (see list of sections below) at time of submission. Students planning to participate in the conference must indicate their preference at the time of submission. The sections are as follows:

- Animal Well-Being and Behavior
- Extension and Instruction
- Genetics and Molecular Biology
- Immunology, Health and Disease, Feed Additives
- Immunology, Health and Disease, Health and Disease
- Immunology, Health and Disease, Immunology
- Management and Production
- Metabolism and Nutrition, Amino Acids
- Metabolism and Nutrition, Enzymes
- Metabolism and Nutrition, Feed Additives
- Metabolism and Nutrition, General Nutrition
- Metabolism and Nutrition, Vitamins and Minerals
- Microbiology and Food Safety
- Physiology and Reproduction
- Processing and Products
