INSTRUCTIONS FOR THE SUBMISSION OF ABSTRACTS
To be Presented at the Poultry Science Association
Latin American Scientific Conference
Foz do Iguaçu, Parana, Brazil

GENERAL INFORMATION: Poultry scientists and students are encouraged to submit original research, teaching and extension papers. Oral presentation papers should consist of original work that has not been accepted for publication in a journal or presented at another scientific meeting. The author submitting the abstract is responsible for its content and quality of preparation. The final program for the PSA Latin American Scientific Conference will be posted on the conference website at https://poultryscience.org/Latin-American-Scientific-Conference.

Authors should be aware of patent considerations before submitting abstracts for publication.

ABSTRACT SUBMISSION DEADLINE: Abstracts must be submitted electronically via the conference website (https://poultryscience.org/Latin-American-Scientific-Conference) by midnight, Brazil Time, April 30, 2020. Abstracts not meeting this deadline will not be accepted.

SUBMISSION REQUIREMENTS: Abstracts must be in English and shall comply with PSA submission requirements that are available online at https://poultryscience.org/files/galleries/PSA_LATAM_Abstract_Guidelines_2020.pdf.

AUTHOR NOTIFICATION: Authors and co-authors will receive a confirmation email when the abstract is submitted. Authors will be notified by email following acceptance/rejection of their submitted abstracts on or about June 15, 2020. Make sure that you enter your email and those of each of the co-authors correctly. Once the program is finalized with days, times, and locations, it will be will be posted on the PSA Latin American Scientific Conference website.

STUDENT AWARD OF EXCELLENCE COMPETITION: Students may choose to have their presentation judged in the Award of Excellence Competition. The presenting author must be a student and their name listed first, before other co-authors. Students may submit multiple abstracts for presentation, but only ONE abstract may be entered in the student award competition. A copy of the competition evaluation form is available online at https://poultryscience.org/LATAM-Abstracts. The presentation must be in English.

ORAL PRESENTATIONS: Oral presentations for the Latin American Scientific Conference should be no more than 8 minutes, followed by 2 minutes of discussion for questions and answers. Computers and LCD projectors will be available. If other audio-visual equipment is required, please contact the Poultry Science Association office at psa@poultryscience.org. Presenters must upload their presentation in advance on the website or bring their presentation to the conference on a memory stick. Zip drives will not be available. You cannot use your own computer.

SECTION PREFERENCE: Authors MUST indicate their section preference (see list of sections below). The Program Committee will consider the author's preference, as well as scheduling constraints, when assigning abstracts by section.

SECTION PREFERENCES:
- Animal Well-Being and Behavior
- Extension and Instruction
- Genetics and Molecular Biology
- Immunology, Health and Disease
- Management and Production
- Metabolism and Nutrition, Amino Acids
- Metabolism and Nutrition, Enzymes
- Metabolism and Nutrition, Feed Additives
- Metabolism and Nutrition, Nutrition
- Metabolism and Nutrition, Vitamins and Minerals
